**2020-2021 Spring Semester**

**NEPHAR 313 Pharmaceutical Technology II Lab  
ANNOUNCEMENT**

Attention to all students (Regular, Incomplete, Retake and Graduating) taking  
NEPHAR 313 Pharmaceutical Technology Lab II

- The previous announcement made at the beginning of the semester regarding face-to-face lab practice will unfortunately not continue as planned.
- The lab practice will continue online because we have to comply with Educational system rules and also due to petitions received from students about the inconvenience of face-to-face lab practice.
- The lab practice for magistral preparations will continue online with video demo and tutorials.
- All students are required to complete the course and all assessments, midterm and final exams online.
- This course will be completed end of this semester and will not open as an extra course.
