

NEAR EAST UNIVERSITY
Faculty of Pharmacy
2024-2025 Spring Semester
PHA 313 Pharmaceutical Technology II Laboratory
ANNOUNCEMENT

Dear advisors,

Kindly be informed of the following rules when registering/approving your student's courses

- Students cannot take this course **PHA313** Pharmaceutical Technology II Lab without taking **PHA312** Pharmaceutical Technology II (Theoretical course).
- Students cannot take **PHA313-Pharmaceutical Technology II Lab** before taking **PHA304-Pharmaceutical Technology I Lab**. The reason being that **PHA304** gives the necessary foundation and structure of magistral preparation, therefore, **PHA304** is a prerequisite for **PHA313**.
- Last day for late registration for this lab course is **10.03.2025**

The Department has taken into consideration the challenges that the above decisions may pose, hence, the following solutions have been proffered for irregular and/or transfer students:

- Students should not take **PHA312-Pharmaceutical Technology II** and/or **PHA313-Pharmaceutical Technology II Lab** before their 5th semester
- Students should take **PHA312-Pharmaceutical Technology II** theoretical course in their 5th semester without taking its corresponding 1 credit laboratory course; **PHA313-Pharmaceutical Technology II Lab**.
- Students should take **PHA303-Pharmaceutical Technology I** and **PHA304-Pharmaceutical Technology I Lab** in their 6th semester.
- In the 7th semester students can easily take the 1 credit course; **PHA313-Pharmaceutical Technology II Lab**
