

## To the attention of all students enrolled in PHA501 Graduation

Dear Students,

PHA501 Graduation Project details are given below;

1. PHA501 is an annual course and student have to select just one PHA501 Graduation Project advisor,
2. The PHA501 Graduation Project topic will be decided by PHA501 advisor and student.
3. When students write their PHA501 Graduation project thesis, they have to use academic research platform like PubMed, Web of Science or Google Scholar etc.
4. Graduation writeup guide is available from this link; <http://eczacilik.neu.edu.tr/resources/?lang=en>, student have to use this writeup guide.
5. The assessment details of this course are given below;

	<b>Criteria</b>	<b>%</b>
The PHA501 advisor assessment	Thesis	50
The average of all lecturer assessments	Poster presentation	50

6. Poster presentation could be online or face to face, graduation project committee will announce the method of presentation and deadline during the Fall term.
7. The students have to apply the principle of research ethics avoiding plagiarism.
8. Similarity test of PHA501 Graduation Thesis will be controlled by PHA501 advisor and graduation project committee. The similarity of thesis could be maximum %40. Otherwise the Graduation Project will not be accepted by Graduation Project Committee.

Good luck...

**Graduation Project Committee**
