

2020-2021 FALL SEMESTER
NEAR EAST UNIVERSITY
FACULTY OF PHARMACY
NEPHAR 304 PHARMACEUTICAL TECHNOLOGY I LAB

Announcement

- Face-to-face lab lectures (demo and group determination) will begin on **14th December 2020**.
- Face-to-face practice lecture will start on **21st December 2020**.
- Attendance for the face-to-face labs is mandatory, for those present.
- Students who are to attend the face-to-face labs will be allowed to miss a maximum of one lab practice.
- Due to attendance regulations, students should join by latest **21st December** (1 week after labs start).
- An online list will be made available for students who would be present to register their names.
- Final exam will be done face-to-face as practical according to academic schedule (exam week).
- Students who cannot attend the practice face-to-face labs will be required to complete the lab for transcript at least in the 2020-2021 Summer semester.
