

## **Graduation Project Instructions and Program**

Fall 2020/2021

### **PHA501 Graduation Project 2020-2021 rules;**

**This year, PHA501 Graduation Project presentations will be in PowerPoint format, because of the ongoing COVID-19 pandemic.**

**Oral project presentations will be evaluated by the session jury. 40% of the grade is based on these evaluations of the final mark.**

**All Graduation Project Presentations will be 28-29 January 2021.**

**The date has been set by committee for the submission of the PHA501 Graduation Project for students who will graduate at the last of the Fall term as 5 February 2021. These students will send their thesis in PDF format to [nephar501@neu.edu.tr](mailto:nephar501@neu.edu.tr) adding PHA501 adviser.**

**Presentations must be supplied in PowerPoint (PC/Mac) format.**

- Students should use the presentation template. The standard PowerPoint format was prepared by PHA501 Graduation Committee. PowerPoint slide page should be a minimum of 5. However, slide page could be maximum 10, if student has enhanced data.

- Each student has minimum 5 minutes, maximum 10 minutes for their presentation including 2-3 minutes to take questions from the session jury.

### **PHA501 Graduation Project presentation program;**

Program will include the Parallel Sessions, and so the students must ensure the presentation program.

Each student must send their presentation to the PHA501 Graduation committee at least 24 hours before presentation dates. Otherwise, the committee will not approve late coming PowerPoint presentations.

Graduation Project committee members will be a moderator on each session. The program will contain a large number of students. It is therefore imperative that the presentations start and finish on time.

Please remember that all presentations should be prepared in English.

### **Grading Notes**

- All the jury members will be assess the presentation out of 40 points:

Important assessment points;

- Presentation was well organized
- Presentation logical progression
- The student presentation's knowledge
- Accurate resources and citation
- The student speaks clearly and easy to understand
- The jury questions were answered satisfactorily.
